

[Anne Marie Graham, Nurse and Occupational Health Expert](#)

An inspirational leader in her field, Anne Marie successfully set up The Healthforce Group in 2004, acquired the company Employee Health in 2012 and sold The Healthforce Group in 2015, following a bid between an Irish Provider and a U.S Provider, which

led to the acquisition of her company by Healthcare Screening Ireland, where she is currently the Managing Director.

Anne Marie, who is also a published Author, Speaker and Trainer, has worked with a number of Corporate organisations across a wide variety of sectors both Nationally and Internationally, helping them to develop a Health Strategy that maximises the benefits and value of best practice for Employee Health and Wellbeing.

Trained in Nursing at Beaumont Hospital Dublin, Ireland's Centre of Excellence for Neuroscience she further achieved an Honours Degree in Health Studies from London's Royal College of Nursing, one of the United Kingdom's leading Colleges in the field, as well as a Masters in Occupational Health. She also holds a Diploma in Executive Coaching.
